Dear principals

I think bullying should stop. Kids can get hurt when they get bullied. Don't you agree? You can change it by talking to them. say to them don't bully if you stop then you will make the

enth a peter plays to
live. Because the enth
needs to be safe so
people can live there.
When kids get bullied
they get upset but
they don't tell one
one they just sit in the

Konner knix they
shud felt gum one but
I think they are so
up set that they
just do not want to
talk. I hope you will
stop bullying Justin
