

# Horrible Harry

Did you ever have a friend that is a ~~little~~ <sup>little</sup> creepy well than you will love ~~the~~ the book Horrible Harry.

The title of my book is Horrible Harry. The characters are Harry, Ida, Song Lee, Mary, Dexter, Sidney, Zuzu, and Mrs. Mackle. The story take place in a classroom. My Opinion is that Harry is naughty. For example ~~in~~ in the book Horrible Harry in 2B he put a snake in song Lee's face. Another example is in the book Horrible Harry and

~~Harry and Sidney~~  
The ant Invasion he shook his  
partner Sidney's hand but there were  
bugs on it and Sidney screamed. The  
ending was Harry saw his grandpa  
and they were both happy. Do  
you think Harry is naughty?
